

## ISCA Coaches - Teleseminar Interview

Hi everyone, my name is Colleen Roberts and I am the creator and founder of [www.colleenscoachingcorner.com](http://www.colleenscoachingcorner.com).

Today I am interviewing a very special friend Cindy Mills who I am blessed and privileged to also be part of Team Lisa Jane for the Relay for Life Cancer Council WA. Today is very special too as we remember and celebrate Lisa's birthday

Hi Cindy welcome to the call and how are you?

*Thanks Colleen, it's my pleasure. I'm well thank you.*

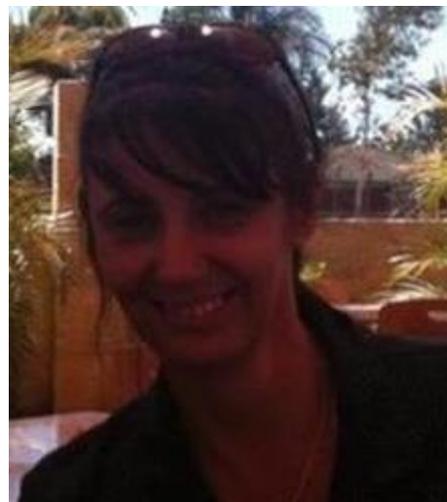

For today we are going to talk about your involvement with the Cancer Council WA's event Relay for Life and your team "Lisa Jane". Please tell me what inspired you to participate in this cause and how it came to be?

*I first became involved in April 2012 after losing my sister Lisa to Uterine Cancer in January 2012.*

What made you become involved with this organisation or choose what you are doing? What is your story behind it?

*After losing Lisa I wanted to give something back to all of the wonderful people from the Cancer Council who supported not just Lisa, but the whole family through such a terrible time. I have family in Melbourne who have also lost close friends and family to cancer and they participate in Relay for Life every year and they are the ones who encouraged me to create a team and participate in WA. I am glad they did as it is a great event which is very inspiring, emotional and also a lot of fun*

How long have you been involved in this organisation?

*Our first year was 2012 where our team raised just over \$7500 through donations from friends and family. In 2013 we raised just over \$11,330.00. We achieved this amount by selling fundraising chocolates, holding a Bogan Bingo event and donations from family & friends.*

What is your ultimate goal?

*My ultimate goal is for our team to reach a combined total over the years of \$100,000.*

That won't take you and your team very long considering you have already raised nearly \$20,000 since 2012. Are there any other community events or charities that you support or sponsor or would like to?

*I would like to volunteer with the Make a Wish foundation to help make the dreams of sick children come true. To see people who are sick, especially young children smile and show hope on their faces inspires me to continue fundraising and giving back to the community.*

What are your accomplishments or do you have anything that you would like to promote?

*My accomplishments so far are our Team raising almost \$20,000 in just over a year. We will be holding more events later in the year for our 2014 team but don't have any planned as yet. As soon as we do I will let you know so you can advertise it on your page. Also, if anybody would like to get involved with our team please let me know and I will get my details to them.*

So if anyone wants to donate beforehand are they able to do so?

That now brings us to the end of our interview with Cindy. Cindy's team goal is to raise at least \$100,000 so let's all get behind her and donate to this wonderful organisation.

Until next time, remember you don't have to do things by yourself when you hire a life coach as they are in your corner each step of the way.

Thank you so much Cindy. Have a fantastic day!!

*Colleen*
